

accounting financial management captus pdf

HRPA's Online Academic Program provides the academic courses required for the Certified Human Resources Professional (CHRP) designation in a convenient, online format. Currently, these courses also meet the coursework requirement for the Certified Human Resources Leader (CHRL) designation. HRPA's online courses are available to anyone, anywhere, for convenient learning on your computer.

Online Academic Program - HRPA

A carbon tax is a tax levied on the carbon content of fuels. It is a form of carbon pricing. Revenue obtained via the tax is however not always used to compensate the carbon emissions on which the tax is levied (see implementation). Carbon is present in every hydrocarbon fuel (coal, petroleum, and natural gas) and converted to carbon dioxide (CO₂) and other products when combusted.

Carbon tax - Wikipedia
