

### **business communication process and pdf**

Business communication is information sharing between people within and outside an organization that is performed for the commercial benefit of the organization. It can also be defined as relaying of information within a business by its people.. Overview. Business communication (or simply "communication," in a business context) encompasses topics such as marketing, brand management, customer ...

### **Business communication - Wikipedia**

A business process or business method is a collection of related, structured activities or tasks by people or equipment which in a specific sequence produce a service or product (serves a particular business goal) for a particular customer or customers. Business processes occur at all organizational levels and may or may not be visible to the customers.
