Weimar Republic- Political Institutions Karl Marx- Both a social scientist and a revolutionary 1. Class- Dialectic Materialism (History) 2.

Introduction to Public Affairs - University of Pittsburgh

The study of comparative public policy reveals the intensely political nature of policy choices. While policy analysts often look to policy successes and failures outside their borders to draw valuable lessons and insights, cultural, economic, political, and institutional conditions vary from country to country and strongly affect how policy analysis is ultimately used.
