god spirit and human pdf

The human spirit is a component of human philosophy, psychology, art, and knowledge - the spiritual or mental part of humanity. While the term can be used with the same meaning as "human soul", human spirit is sometimes used to refer to the impersonal, universal or higher component of human nature in contrast to soul or psyche which can refer to the ego or lower element.

In monotheistic thought, God is conceived of as the supreme being, creator deity, and principal object of faith. The concept of God, as described by theologians, commonly includes the attributes of omniscience (all-knowing), omnipotence (all-powerful), omnipresence (all-present), and as having an eternal and necessary existence. Depending on one's kind of theism, these attributes are used ...
