The music of Israel is a combination of Jewish and non-Jewish music traditions that have come together over the course of a century to create a distinctive musical culture. For almost 150 years, musicians have sought original stylistic elements that would define the emerging national spirit. In addition to creating an Israeli style and sound, Israel's musicians have made significant ...

African-American culture, also known as Black American culture, refers to the contributions of African Americans to the culture of the United States, either as part of or distinct from mainstream American culture. The distinct identity of African-American culture is rooted in the historical experience of the African-American people, including the Middle Passage.
