A straw man is a common form of argument and is an informal fallacy based on giving the impression of refuting an opponent's argument, while actually refuting an argument that was not presented by that opponent. One who engages in this fallacy is said to be "attacking a straw man." The typical straw man argument creates the illusion of having completely refuted or defeated an opponent's ...

Exactly what I needed to affirm some things concerning what I believed to be true. Thank you for being accurate in portraying the truth and the fake prophets/prophetess!studying the Word of God leads to the truth!seeking the Living God and our Lord Jesus Christ will deliver souls from the misguided use of the devils tools to promote false prophecy.
