The CARE CERTIFICATE Understand your role

Level 3 Scope of Practice Descriptor. A Level 3 HCSW will have a greater degree of autonomy and may undertake a broader range of more complex interventions, problem solving and taking action on an individual's health and care in accordance with organisational policy and procedures.

Developing Excellence in Healthcare | An NHS Wales Skills

The Care Certificate is an identified set of standards that health and social care workers adhere to in their daily working life. Designed with the non-regulated workforce in mind, the Care Certificate gives everyone the confidence that workers have the same introductory skills, knowledge and behaviours to provide compassionate, safe and high quality care and support.

A community is a small or large social unit (a group of living things) that has something in common, such as norms, religion, values, or identity. Communities often share a sense of place that is situated in a given geographical area (e.g. a country, village, town, or neighborhood) or in virtual space through communication platforms. Durable relations that extend beyond immediate genealogical ...
