

social responsibility in marketing pdf

Corporate social responsibility (CSR, also called corporate sustainability, sustainable business, corporate conscience, corporate citizenship, conscious capitalism, or responsible business) is a type of international private business self-regulation. While once it was possible to describe CSR as an internal organisational policy or a corporate ethic strategy, that time has passed as various ...

Corporate social responsibility - Wikipedia

Social marketing is the use of marketing theory, skills and practices to achieve social change. It has the primary goal of achieving "social good". Traditional commercial marketing aims are primarily financial, though they can have positive social affects as well. In the context of public health, social marketing would promote general health, raise awareness and induce changes in behaviour.
