Defining Characterization Characterization is the process by which the writer reveals the personality of a character. Characterization is revealed through direct characterization and indirect characterization. Direct Characterization tells the audience what the personality of the character is. Example: â€œThe patient boy and quiet girl were both well mannered and did not disobey their

1. What is Employee Theft? Employee theft is defined as any stealing, use or misuse of an employer's assets without permission. 1 The term employer's assets are important because it implies that employee theft involves more than just cash. In many industries, there are much more important things than cash that employees can steal from a company.
