The false promise or more than two decades, mass customization has been the future of manufacturing—and for some manufacturers it probably always will be. On the face of it, mass customization is a remarkably attractive proposi-tion for consumers and producers alike. Consumers get a reasonably priced, 62

The false promise of mass customization

KANT ON FALSE PROMISES In the second section of the Foundations of the Metaphysics of Morals, Kant presents four examples or illustrations of the application of his first formulation of the categorical imperative. I propose to consider one of these examples, the example of the false promise to repay a loan, and to
